AN AWARD-WINNING JOURNEY OF ENLIGHTENMENT OMMEGANG'S NIRVANA IPA WINS BRONZE AT TAP NY

Nirvana IPA, Brewery Ommegang's first India Pale Ale, is now officially our first award-winning IPA! The Bronze Medal it earned in the New York IPA category at **Tap New York Craft Beer and Food Festival** in April started an avalanche of recognition. Brewery Ommegang was recently recognized as Champion Mid-Size Brewery at the World Beer Cup ceremonies in early May.

Nirvana IPA pours a light, coppery-golden hue with a pure white head and fine lacing. Notes of citrus, peach, pineapple, and apricot arise from the glass, while floral, piney aromas linger in the background, creating blissful hop aromas you sense a foot away. The first sip offers juicy and citrusy refreshment before giving way to a hoppy, pleasantly bitter finish. Flavor dominates. It's like eating a perfectly tart orange on a warm summer day.
